

curriculum vitae of

Desire Kabwanga

Aspiring Developer

DESIRE KABWANGA

· Birth date: 97-Jan-10 · Address: Brackenfell, Cape Town · Phone: 073 166 7112

Email: dkabwanga@yahoo.com · GitHub: [Dez1101](#)

A self-motivated and ambitious IT professional with knowledge in React, HTML, JavaScript, jQuery, CSS and bootstrap. Possessing a Full-stack Web Developer certificate from HyperionDev where I learned web development with MERN (MongoDB, Express, React and Nodejs), and also possess a national diploma in Computer Systems Engineering from Cape Peninsula University of Technology.

Looking for an opportunity as an entry level web developer and to join a team in implementing user interactions following client approved mock-ups such as wireframe, visual design comprehensive layouts and prototypes and etc.

EXPERIENCE

SEP 2019 – DEC 2019

JOB TITLE: JUNIOR FRONT-END WEB DEVELOPER, COMPANY: FUNDSTREAM

- Helped with creating user interfaces and interactive aspects of websites using HTML, CSS, JavaScript and bootstrap.
- Testing sites codes

SEP 2018 – AUG 2019

JOB TITLE: DESKTOP SUPPORT TECHNICIAN, COMPANY: CAPE PENINSULA UNIVERSITY OF TECHNOLOGY

- Resolved technical oriented user problems
- Installed, examined and trouble-shooted computer hardware and software
- Provided basic application and software user guidance to staff
- Liaised with IT staff regarding solutions
- Configure Wi-Fi and printer connectivity

EDUCATION

2020

FULL-STACK WEB DEVELOPER CERTIFICATE, HYPERIONDEV

In this boot camp at HyperionDev I learnt how to create web pages using MERN (MongoDB, Express, React and Nodejs). Here I developed some projects which can be found on my GitHub and saw myself improving my skills as a developer.

2016 - 2019

COMPUTER SYSTEMS ENGINEERING, CAPE PENINSULA UNIVERSITY OF TECHNOLOGY

Four semesters of learning about computers. Gained knowledge in Oracle database SQL, java, JavaScript, HTML and CSS and System Analysis, just to name a few.
